**RESPONSE TO OFFICE ACTION**

Responding to the species-election requirement in the Office Action dated June 23, 2005, through the undersigned attorney, the applicants elect the species employing a single length of strapping and submit that claims 1 through 4, which the examiner has deemed generic, claims 5 and 6, and claim 11, when dependent upon any one of claims 1 through 6, read on the elected species. The species-election requirement is not traversed. No other issue has been raised by the Office Action.
